New Business:

1-27-18 Southern Utah learning days 12pm-2pm. Heidi has room to car pool.

Becky has provided the committee with a draft of a draft of the Phoneline General Volunteer Information Training Guidelines. Copy attached for review. Please send me back any feedback that you may have.

Requirements for Phoneline coordinator are presented to the group for review. Also attached for review. Both will be voted on and approved in the January meeting.

Cheyenne S stated her willingness for phone line coordinator. She will come back to the January meeting.

At region it was brought up by the chair that on the Region 51 website it shows you a building name if it is available. For example, when you are searching for meetings at 4800 E. Alpine, a URL for the Foundation for Recovery was popping up. Heidi has altered the website so that the URL's do not pop up advertising the facility that the meeting is being held at. That situation has been resolved.

We had 7 volunteers sign up at the Region 51 service learning day that Heidi, Scot, Becky, and BriAnne attended. We will review that in January's meeting.

Becky will create a email address for the PR secretary.

Becky: Decreasing the number of meeting schedules was brought up at the learning day. We asked the GSR's and other service members to please relay if they are having many left over, and to take less if so. Becky decreases the amount printed when she can, but needs information from the groups to do this. We are printing 4300 total every 2 months including 150 for Spanish, at \$.29 a piece. Please advise your groups to only take what is needed if they are throwing extras away.

Ron: Him and David switched locations. David is now doing East Family Services, and Ron is going to do one on Lake Mead because David used to work there. He has not been able

to get there though. Westcare is still not needing any new lit in their rack. It is possible that it is not in a good location.

David: Absent, submitted report electronically

Hello everyone... These are sites being filled from my part: UMC, Safe Nest, Parole & Probation, Las Vegas Rescue Mission, Pearson Center, Rafael Rivera Center. A new rack was added to East valley family center and a completely new site with rack at "All Saints Episcopal Church". I apologize I'll be working this morning and won't be able to attend, hope everyone has a good day.

Isar: Absent, submitted report electronically
