Two dozen Traditions (continued)
trouble with individuals and groups outside the Fellowship. However, when we apply these
principles, we avoid some of the pitfalls.
Many of our problems are like those that our
predecessors had to face. Their hard won
experience gave birth to the Traditions, and our
own experience has shown that these principles
are just as valid today as they were when these
Traditions were formulated. Our Traditions protect
us from the internal and external forces that could
destroy us. They are truly the ties that bind us
together. It is only through understanding and application
that they work.

The Twelve Traditions of NA

We keep what we have with vigilance, and just as freedom for the individual comes from the Twelve Steps, so freedom for the group springs from our Traditions. As long as we act as though we are stronger than those that would tear us apart, all will be well.

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is the desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Group has but one primary purpose—to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

Understanding these Traditions comes slowly over a period of time. We pick up information as we talk to members and visit various groups. It usually isn't until we get involved with service that someone points out that "personal recovery depends on NA unity," and that unity depends on how well we follow our traditions. The Twelve Traditions of NA are not negotiable. They are the guidelines that keep our Fellowship alive and free. By following these guidelines in our dealings with others, and society at large, we avoid many problems. That is not to say that our Traditions eliminate all problems. We still have to face difficulties as they arise: communication problems, differences of opinion, internal controversies, and

**Serenity Prayer**

God grant me the serenity to accept the things I cannot change; courage to change the things I can; and wisdom to know the difference.

3rd Step Prayer

Take my will and my life. Guide me in my recovery. Show me how to live.

Who is an Addict?

Most of us do not have to think twice about this question. **We know!** Our whole life and thinking was centered in drugs in one form or another – the getting an using and finding ways and means to get more. We lived to use and used to live. Very simply, an addict is a man or woman whose life is controlled by drugs. We are people in the grip of a continuing and progressive illness whose ends are always the same: jails, institutions and death.

**What is the Narcotics Anonymous Program?**

NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work.

There are no strings attached to NA. We are not affiliated with any other organizations. We have no initiation fees or dues, no pledges to sign, no promises to make to anyone. We are not connected with any political, religious, or law enforcement groups, and are under no surveillance at any time.

Anyone may join us regardless of age, race, sexual identity, creed, religion, or lack of religion. We are not interested in what or how much you used or who your connections were, what you have done in the past, how much or how little you have, but only in what you want to do about your problem and how we can help. The newcomer is the most important person at any meeting, because we can only keep what we have by giving it away. We have learned from our group experience that those who keep coming to our meetings regularly stay clean.

**Where Are We Here?**

Before coming to the Fellowship of NA, we could not manage our own lives. We could not live and enjoy life as other people do. We had to have something different and we thought we had found

---

**NA Meeting Readings/Recitations**

After coming to NA, we realized we were sick people. We suffered from a disease from which there is no known cure. It can, however, be arrested at some point and recovery is then possible.

We Do Recover?

When at the end of the road we find that we can no longer function as a human being, either with or without drugs, we all face the same dilemma. What is there left to do? There seems to be this alternative: either go on as best we can to the bitter end – jails institutions or death – or find a new way to live. In the years gone by, very few addicts ever had this last choice. Those who are addicted today are more fortunate. For the first time in man's entire history, a simple way has been proving itself in the lives of many addicts. It is available to us all. This is a simple, spiritual – not religious – program known as Narcotics Anonymous.

Just For Today

Tell yourself:

JUST FOR TODAY I will try to get a recovery, living and enjoying life without the use of drugs.

JUST FOR TODAY I will have faith in someone in NA who believes in me and wants to help me in my recovery.

JUST FOR TODAY I will have a program. I will try to follow it to the best of my ability.

JUST FOR TODAY, through NA, I will try to get a better perspective on my life.

JUST FOR TODAY I will be unafraid. My thoughts will be on nature and things I can control. I will refuse to think about things that are beyond my control. I will do the best I can with what I have and let God worry about the rest. I will do my share and trust the rest to God.
